**July 20, 2022**

*As the rain and the snow  
come down from heaven,  
and do not return to it  
without watering the earth  
and making it bud and flourish,  
so that it yields seed for the sower and bread for the eater,  
so is My word that goes out from My mouth:  
It will not return to Me empty,  
but will accomplish what I desire  
and achieve the purpose for which I sent it.*

**Isaiah 55:10, 11 (NIV)**

### **Sunday school curriculum arrives in Burkina Faso**

Thank God for answering prayer as the first sacks of Sunday school materials are arriving in Ouagadougou, Burkina Faso. Pray for Pastors Paul and Didier who are making trips to the post office to pick up the sacks, sort them with their teams, and arrange training for future recipients. Please pray for many more sacks still in transit to arrive without problems.

The Philips have moved to Montclair. Thank you for praying that all would go well. God graciously allowed everything to happen smoothly. Temperatures are close to 100° F (38° C), so they are enjoying air conditioning in their new place. The boys love the yard. Please pray for Nathan and Annie as they unpack their boxes and settle in. The next weeks before beginning work at Iméaf will be busy as they start many processes to officially change their address with all the French authorities, find their way around their new town, deal with legalities and paperwork, and establish a routine.

### Haitian Bible students graduate

Thank you for praying for the students at the Word of Life Bible School in Limonade, Haiti. Thank God for the graduating class of 2022, pictured below, and pray for them as they go out to minister the Word in their communities. Thank God for the books provided through BLF Canada that have helped these graduates in their studies. Pray for leaders of Synergie Francophone and BLF Canada planning a trip to visit and teach at the school, postponed until January 2023.

Ask our generous God to "throw open the floodgates of heaven and pour out so much blessing that there will not be room enough to store it" (Malachi 3:10) in response to BLF Canada's efforts to raise over CAD 7,000 to ship the sets of Sunday school curriculum remaining in France for distribution in Haiti. This need is urgent.
