Anette with a patient

A Library to Liberate

Beautiful Feet partner Anette Nikièma, an evangelist and the only nurse with palliative care training in Burkina Faso, is requesting books for a prison in Ouagadougou. Resources Blocked

Due to the political unrest in Haiti, SF partner BLF Canada is unable to send biblical literature to our Haitian brothers and sisters. There is no secure way to ship books. In the midst of the crisis, Pastor Galilée and Word of life Evangelical Mission of Haiti is providing critical aid. Please pray for doors to open, so that vital resources can once again support the local church. Please also pray for peace in Haiti and for Haitian believers as they seek to be a witness in this perilous time.
