Synergie FRANCOPHONE
70 

YEARS OF CULTIVATING FRUITFULNESS
IN THE FRENCH - SPEAKING WORLD

“Call to me and I will answer you, and will tell you great and hidden things that you have not known.”

Jeremiah 33:3 ESV

Students and teachers at the Bible school in Dassa, Benin, with their new books

Books Have Arrived

Beautiful Feet partner Reverend Maouna Maxime Kakpo announced that 22 boxes of books arrived in Benin! *Multiplier les leaders : le mentorat - l'art de l'accompagnement* (*Multiplying Leaders: The Art of Mentorship*) by Martin Sanders and SF partner Alain Stamp, *Le Chemin du calvaire* (*The Calvary Road*) by Roy Hession, and *Suis-moi* (*Follow Me*) by David Platt were distributed at two Bible schools in Natitingou and Dassa. Reverend Kakpo wrote of his heart full of gratitude: "May God highly bless you. We are so happy." Praise God for the safe arrival of the books (minus one box devoured by mice at the post office!), and pray that God would use them to grow leaders in Benin—and beyond.

New Impressions

A special 70th anniversary edition of *Impressions* magazine is now available on our website! We invite you to celebrate miracles throughout SF's history, savor the story of a family that has served with SF for four generations, learn about biblical jubilees, and more! As SF Advisor to the Board Pastor Gee noted after seeing the magazine, "The Lord loves the French-speaking world." Praise God for the completion of the English version (the French is coming soon!), and pray that the stories would bear good fruit in the lives of those who read them.

Erratum: The photo on page 6 is not of BLF in Marpent but rather of ELB in Belgium. We apologize for the error.

Training in Haiti

SF partner Word of Life Haiti hosted two intensive days of training in entrepreneurship on April 13th. Pastor Galilée wrote that this initiative was intended for pastors and their wives and welcomed members of diverse denominations. Praise God that biblical training continues in Haiti, and pray God blesses each of the participants as they seek to implement their new knowledge in a destitute, unstable country.

Videographer Joins the FIT Team

Karin Wilcox will come to Montélimar, France, as our designated videographer to help us share the story of how God is working in the French-speaking world. An opera singer, Karin Wilcox grew up as a missionary kid in Germany with OC International and has been creating videos for SF. SF Board President Ray Sanford knows her well, and Executive Director Angela Brandle met her at an MTI conference in Ghana. Please pray for Karin as she prepares for the upcoming trip and continues serving with SF.

Opportunities to Serve in Quebec

Camp des Iles, a non-profit camp whose goal is to further the physical and intellectual growth of children and teens through activities that include biblical teaching and values, is offering summer camps in July and August. The camp is seeking staff members such as a cook, monitors, and other roles. If you live outside of Canada and are interested in serving at the camp with one of SF's Illuminate Quebec (IQ) teams, please reach out to Angela Brandle at angela.brandle@synergiefr.org. If you are Canadian, reach out to Zak and Jaël Kenney (BLF Canada missionaries and co-directors of the camp): zakenney@onehopecanada.ca.
