Hear from Participants

Josie
Camper

I learned that in Quebec there are some kids who have never heard about Jesus. During the week one girl accepted Jesus!

Selah
Camp leader

I saw God's love shared through friendship bracelets, canoe trips, old wigs, tearful goodbyes, and yes—a little French.

About the Camp

Located in Quebec, Camp des Îles is a non-profit ministry of One Hope Canada, one of SF's partners. The camp's goal is to promote the physical and intellectual development of children and adolescents by offering summer camps that present dynamic activities for campers, including teaching the Bible and biblical values.

Why Quebec?

- The Quebecois are the largest unreached people in the Americas.
- In Quebec, .06 of 1% of the population is evangelical Christian.
- There is only one church for every 106,000 people.
- In Montreal alone, to reach a ratio of 1 church for every 30,000 people, 50 new church plants are needed.
- The Quebecois hold more unfavorable views of religion than anyone anywhere else in Canada.

Go Therefore and Make Disciples

Your support helps reach those who haven't heard about Jesus. Campers hear a focused, purposeful presentation of the Gospel. Those who respond positively receive tools and opportunities for spiritual growth. Each transformed heart is one step towards bringing light to a land steeped in spiritual darkness.
