Pastor Modeste journeying through the DRC's manifold waterways to distribute Bibles in 2023

Prayers for the Pygmies

SF partner Pastor François Modeste, a distributor of biblical literature since 1987 and an evangelist to the Pygmies since 2008, recently requested Bibles from SF. He hoped to bring the Bibles to the Pygmies during a missionary journey slated to begin November 28th. Pastor Modeste's heart is to reach the unreached with the Gospel, train believers, equip pastors to energize and edify rural churches, and support overall community development. **Due to diminished funds, SF is unable to respond to this need at present.** Pastor Modeste writes, "Your prayers are a crucial support." Please pray with us for provision for more Bibles, for Pastor Modeste's family, and for an upcoming training for Pygmy pastors of the DRC's equatorial forest.

Alain Stamp with a disciple on a past missions trip

The Stamps in Maghreb

SF partner and Beautiful Feet mentor Alain Stamp and his wife Martine left Monday for the Maghreb (for security reasons, we cannot identify the specific country). **Alain will teach at a Bible institute, supporting students, pastors, and church leaders. SF funded the purchase of 30 copies each of Paul David Tripp's *Lead: 12 Gospel Principles for Leadership in the Church (Conduire l'église)* and Alain Stamp and Martin Sander's *Multiplying Leaders (Multiplier les leaders)* which will be given to strategic partners in the region. Please pray for the Stamps as they seek to support minority Christians in a Muslim-dominated region and for the local church to flourish in the midst of hardship.**

Children Choose Jesus

October 18th-19th, SF's Executive Director Angela Brandle led two seminars for children at Missions Fest Seattle. **Four children decided to follow Jesus in her sessions!** MFS's leadership team announced this good news in an email update, and we invite you to join us in thanking God for these newly-reoriented lives. Please pray for these children to continue walking faithfully with Jesus all the days of their lives.

Power Cuts in the DRC

One of SF's faithful volunteer translators David Ibengi reports that **power cuts common during the DRC's rainy season are making it difficult for him to complete translation work for SF in addition to his course in entrepreneurship.** Please pray for David and many others who are struggling with this recurrent loss of electricity.
