

*"In a country where the average teacher earns so little and many have been displaced from their livelihoods by war, your initiative to provide Bibles to these young leaders for the first time is indeed an act of profound compassion and love. The training in evangelism and discipleship that they will receive is invaluable and will undoubtedly leave a lasting impact."*

**HAPPY  
VALENTINE'S  
DAY**

*"Beloved, if God so loved us,  
we also ought to love one  
another." I John 4:11*

## BE A LIVING VALENTINE.

### Here are a few ways to lavish God's love:

- Give God's "Love Letter," the Bible, to a Congolese believer who longs to hold one for the first time.
- Offer biblical books to a university student from Benin who has no library to prepare for a life of ministry.
- Provide a Cameroonian Sunday school teacher with resources to disciple the next generation of Gospel-centered leaders.

***If God so loves us, will you show love to the French-speaking world?***

*"I don't find a suitable word to thank you for such a beautiful gift of value, and I want to tell you how happy I was when I received a package of 16 books that can truly help me in my theological studies. I have nothing to give you, but I commit myself to pray for you, that the Word of God may really win all the world through your literature."*

## SHARE GOD'S LOVE.

Strategic opportunities to partner with French-speaking Christian leaders have exceeded our funds.

If you'd like to share God's love with the French-speaking world this Valentine's Day, please give by February 28th, 2025. By giving early in the year, we can honor more requests for biblical resources and provide books in time for planned events.
