Help a Christian print shop's ministry to the French-speaking world

## Vision

Since 1965, SF partner IMÉAF, a Christian print shop, has been a quiet but essential link in the great chain of sharing the Gospel across the world. In 60 years, this ministry has printed 350 million documents including...

- 30 million Gospels
- 202 million tracts
- 68 million magazines
- 30 million brochures
- 16 million books

## The Challenge

The constant rise in costs, shortage of skilled technical staff, and continuous need for updated equipment pose great difficulties. Without intervention, IMÉAF's vital service could weaken and disappear entirely--and with it, a key channel for spreading the printed Gospel.

## Why Printing Matters Today

From ancient times, the Word of God has been copied, passed down, translated--and printed. Despite growing challenges, we believe it is vital to continue to print the living, active Word on paper: a Word that transcends generations.

## Goals

IMÉAF's objective is clear: secure the print shop's mission for years to come. Here's what your gift will help accomplish:

- Train and strengthen the team
- Optimize and diversify tools to better serve Christian ministries across the francophone world
- Invest wisely and responsibly in essential equipment
- Keep printing life-giving materials: Gospels, books, magazines, brochures, and more!
