## Another SF Grant Request Approved

After months of prayerfully considering more requests than it could fund, the **Tyndale House Foundation board** approved a grant to our partners at the **Oasis print-on-demand center in Kinshasa, DRC, in the amount of \$15,000**. We praise God for this generous allocation, considering that the board received so many requests this year that they warned grants would likely be smaller than previously. Please continue to pray for this Congolese-led ministry as it seeks to become self-sustaining in printing much-needed biblical resources to equip the African church.

## Equipping the Congolese Church

SF partner David Langford flies to the DRC January 27th for six weeks of discipling leaders to disciple more leaders. For the past 14 years, David has been working with three local pastors to cultivate renewal and health in more than 1,700 congregations in Northeast Congo. To that end, David will co-teach a course on “Advanced Christian Education” to 21 theology students at SF partner Hope University (Université Batissons l’Espoir au Centre de l’Afrique [UBECA]), coaching a team in Dungu who will lead seminars on church development, facilitating discussions with church leaders on combatting substance abuse, recording six expositions on Malachi for radio, and following up with the Adopt a High School project. **Fifty-seven libraries are en route**

## Emerging Evangelists in Quebec

SF partner BLF Canada Director Toe-Blake Roy taught a class on evangelism at Word of Life (Parole de vie) Bible school in Quebec last week. **The school's associate academic dean raved about the class, which offered much-needed training in a region where less than .06 of 1% of the population is evangelical Christian.** Please continue to pray for BLF's ministry and for budding evangelists to spread light in a spiritually dark place.

### Recovery in Progress

**Please thank God with us that SF Executive Director Angela Brandle's 94-year-old husband Willy has recovered from a serious infection.** After more than two weeks in the hospital and rehab, he expects to be discharged this week. A visiting nurse will care for him at home, and a specialist will provide follow up. Please pray for Willy's complete recovery and for Angela as she coordinates meeting his needs with her ministries in SF and teaching in her local church.

**As we prepare to gather around laden tables to celebrate God's faithfulness, we thank God for your essential partnership in prayer. Thank you!**
