value [that] will contribute enormously to the teaching of the Word of God during this vacation Bible school.” He requests prayer for the health, mercy, and protection of the children, teachers, supervisors, and staff; for wisdom in all of the activities; and for the event to be a time of good fellowship, joy, and lasting fruit in the life of each participant.

Additionally, Pastor Gnikpingo is using our Sunday school materials for a training session July 12th-18th for level-one Sunday school teachers of the Global Methodist Church (l’Église Méthodiste Globale). The training aims to strengthen teachers’ skills in teaching the Bible to children, giving them pedagogical and spiritual tools to better serve in their ministry. He writes, “We express our profound gratitude to Synergie Francophone for their accompaniment and their support in the development of the biblical training of children and the equipping of servants engaged in this ministry.”
