Equipping a New Generation of Leaders in Haiti

SF partner Rev. Dr. Galilée J. Périlus, president and founder of CEFA Global Institute Haiti, thanks God for the Bible school's annual leadership conference last month. CEFA seeks to form leaders who foster growth in others, serve with excellence, and strengthen their communities, offering training programs, leadership initiatives, and different projects to prepare the next generation for future challenges. Please continue to pray for Rev. Dr. Périlus and CEFA, as well as each of the conference's participants to put into action the knowledge they received, sparking Christ-centered transformation in a turmoil-wracked nation.

Children Come to Christ in Senegal

Last month, 137 children attended a Child Evangelism Fellowship Bible camp in Beersheba, Senegal. Madame Angeline, a Senegalese ministry leader whose elementary school received books purchased by SF, served at the camp. **She reported 41 children giving their lives to Christ.** In addition to serving in three other events for children, Madame Angeline supervised an evangelism campaign for children with a local pastor. Please pray for each of these events' participants as well as for wisdom and discernment for this servant of God who is faithfully equipping the next generation of Christ-followers in a majority-Muslim nation.

Training Sunday School Teachers in the CAR

Last week, SF partner Pastor Billy-Caleb Gnikpingo of the CAR participated in a retreat with other trainers of Sunday school teachers. Their time centered around pedagogical activities, the spiritual life, and revising teaching tools. This past June, SF gave Pastor Billy-Caleb the digital files to our popular Sunday school curriculum, and he has already incorporated them into a training event for Sunday school teachers and a local Vacation Bible School. **As a trainer of teachers, he plans to continue using the curriculum in workshops, seminars, and training sessions throughout the year to ignite lasting spiritual growth in the next generations of Christ-followers in francophone Africa.** Pastor Billy-Caleb requests prayer for the Lord to help each participant in the retreat to reach their objectives.

A Pool and Other Praises

SF partners Pastor Toe-Blake and Linda Roy of BLF Canada praise God for miraculously providing all the workers for a successful camp season at Camp des Îles, in addition to the completion of their new pool. The Roys request prayer for following up with all of the relationships made at the evangelism campaign in Sainte-Anne-de-Madawaska, NB, Canada. **Please also pray the Canadian Radio-television and Telecommunications Commission approves BLF Canada's license applications for new radio stations to share the Gospel with the largest unreached people in both North and South America: the Quebecois.**

Celebrating 90 Years

Please join us in praising God for Mary Ann Miller's 90th birthday. She enjoyed a cruise on Virginia's Smith Mountain Lake—and even walked the plank! Mary Ann has served with SF since 1995 alongside her husband Russ, and she continues to bear beautiful fruit for the kingdom of God.

What a wonder that the God of the Universe inclines his ear to hear our praises and prayer requests. May we continue to call upon Him as long as we live!
